**The Aurora Of 1963 Is Dedicated
To Miss Edith Caldwell**

DEDICATION

Because of her sincere interest in all of us, her willingness . . . even eagerness to give unsparingly of her time and energy, as our dietician, because of her dedication to our school and its enlargement, and because of a life which truly manifests the Christian ideal of regard for human personality, we dedicate the 1963 AURORA to MISS EDITH CALDWELL.

FALL

We came to college with the serious intention to learn. We felt that urge to "dig in" when we first viewed the Donnan Administration Building that was soon to become the center of our campus life. We adjusted to living with roommates; attending Saturday classes; dividing our time between books, girls, and contests; and staying away from our families. . . Homesickness struck for the first time, but we were ready to come back to study and school after the weekend at home. . . We struggled through trig assignments and football rivalries, through long chapel programs and a beauty-plus-brains contest. . . Thanksgiving came, and all of us rushed home, wanting to be back so we could rush home again for Christmas. . . The year had begun. . .

WINTER

. . . and it unfolded into a basketball season with exams as an extra added attraction; we knew it should be vice versa, but we couldn't resist yelling those Mounties to victory. . . Christmas interrupted our first winter month, and we gladly gave up themes, theorems, and Thursday's hot dogs for the comforts of home. We had one thing on our minds when we were pushed back after our vacation—the dreaded word, exams. To many, it meant cramming on a large scale, for some had not remembered that first intention to learn. We bought blue books, cartridges, and new bottles of ink; they became our means of expression. The tests were over, and we left to recuperate. . . Lee shot; White dribbled for two points; "Chief" sunk the ball; Lemmons was there for the rebound; the cheerleaders chanted "He's our man"; and we screamed "Let's go, Mounties, go." . . . We braved the cold weather but not in the lunch line. We hurriedly put our books in the "wall" of the cafeteria and rushed to lunch. Then we grabbed them on our first leap to a 1:00 class. . . We prayed for snow, and one February morning, it came — not in inches but in hundredths of an inch. It was enough though to supply snowballs for our fight at the boys' dorm and to cover the roof of Wingo and White where we scooped and scraped the right amount for snow cream. We liked the white "stuff" but not the cold wind that came with it. . . The year was half gone. . .

SPRING

. . . and we began March with an anticipation of spring and warmer days. A burst of freshness, rainbows of sparkling color, and the millions of tiny crystal-clear raindrops told everyone that it had arrived. Our campus was adorned with an abundant crop of the heavenly touches of spring . . . tulips, petunias, peach blossoms, green grass, newly budded dogwood trees, and acres upon acres of dandelion blossoms. . . Spring fever hit the campus like an epidemic. And yet we still could express ourselves intelligently on integration, communism, and crime; Miss Alverson always listened. . . We found unusual places to study in hopes that new scenery would revive the grey matter. . . We dreamed of summer weddings and graduation. . . We watched the May Queen being crowned and heard again the fairy tale of *Hansel and Gretel*. . . As we gazed at the surrounding beauty of the campus, little wonder that we were filled with thoughts of love and romance. . . It was spring.

THE PRESIDENT'S MESSAGE

To the Class of 1963:

You are the first class in the history of the college to receive diplomas with a signature other than Dr. Donnan's. I had the privilege of being a member of the first college class of North Greenville. Now you are the first class to which I will present diplomas.

I am sure that you today sense some of the same emotions that I felt in 1936. There is a joy in your heart that you have successfully completed two years of college work. There are ambitions as you look towards furthering your education in some other institution or entering your life's work. There are feelings of sadness as you realize that soon your footsteps will lead away from this campus. These familiar surroundings for two years will no longer be your daily experience.

I take this opportunity to express my gratitude to each of you, the Class of 1963, for what you have accomplished. Nothing can take from your heart the impressions of these years. I urge you to carry the spirit of North Greenville with you wherever you go and to remember your Alma Mater. Whenever you have the opportunity, revisit the campus for you know that a warm welcome awaits you.

In closing, may I paraphrase a Spanish expression: "Go with God."

The 1963 Staff of the AURORA wishes to take you, the students of North Greenville, on a search for the priceless, intangible possessions which make up college life. We want you to see again each part of the 1962-1963 year as it happened. We hope it does the past year justice and will help to bring many pleasant memories of this unique time in our life. . . On the whole, the Staff that began work on the book early in the fall has had the courage to see it through to the end. Many words of praise are due to the several editors for their untiring efforts. We also thank Mrs. Dill, Miss Fralick, and Rawlins-Allen Studio for their patience and help. . . Every picture's taken, every word's written and proofread. It took nine months to do it, but every member of the Staff is proud to present you your volume of the 1963 AURORA.

INTRAMURAL FOOTBALL

Beginning September 24, 1962, intramural flag football, using practically the same rules of standard football except, instead of tackling a player, the opponent must pull the red flag from his belt, was introduced to North Greenville Junior College. Playing on an 80-yard field, the teams, usually of ten men each, were chosen by six men who had been appointed by Mr. Gary King. These men and their teams were as follows: Donnie Delk, Roadrunners; Benny Galloway, Yogi Bears; Wayne Carpenter, Big House Bandits; Gene Franklin, El Cids; Deryl Poston, Sneakers; and Hubert Smoak, The Chompers. During the regular season, every team played each of the other teams — a total of five games each. Finishing the season undefeated, the Yogi Bears began the play-offs for the championship in the middle of November. After defeating the Sneakers, the Roadrunners entered the final game of the tournament against the yet-to-be-defeated Yogi Bears. Taking the final and, consequently, the tournament, the Yogi Bears defeated the Roadrunners 46-6.

Ricke Cothran, President; Pat Quattlebaum, Carolyn Jones, and Mike McConnell.

The dawn of another college career began in September when the freshman class stood in line for registration cards and started its march toward 1964 and diplomas. . . . We sold candy for the Freshman-Sophomore banquet, daydreamed in class, studied all night, worked in the lunchroom, posed for pictures, and entered in

the generally accepted pattern with our classmates. . . . Lunch lines, music appreciation books, basketball games — all have become a part of us, and we have pledged ourselves to North Greenville for the years to come.

Contestants for the 1963 Miss AURORA contest were nominated by the student body of NGJC in an assembly program; nine girls from each of the Freshman and Sophomore classes were named. On October 19, the contestants were judged on poise, beauty, talent, and personality. The six judges counted their votes, and the five finalists were announced to the applause of friends and families. . . Now the AURORA staff presents Miss AURORA of 1963.

The North Greenville Junior College Lassies began the 1962-1963 season with only three experienced sophomores: Glenda Herring and Lib Arant, high-scoring forwards, and Marie Montieth, hard-working guard. Some discoveries from last year's intramural games, Barbara Ferrell, Janice Ross, Beth Boyd, Joan Byars, Ophelia Holt, and Rita Funderburk, plus several outstanding freshmen gave the team the depth and supplied the spark of initiative and determination needed to spur the girls to do their best playing. It was with

much regret that the team lost Jolene Sparks, a freshman forward, because of serious illness, but two guards, Juanita Seay, returning after a semester's absence, and Ralphine Estes, first semester freshman, were added to the team at the beginning of the new semester. Although defeated by their biggest rivals, the Anderson Rebelettes, the North Greenville Lassies had a 13 won and 4 lost record and considered this season the best ever.

TOURNAMENT

NGJC 85	Spartanburg 71
NGJC 49	Gardner-Webb 53
NGJC 76	Brevard 75

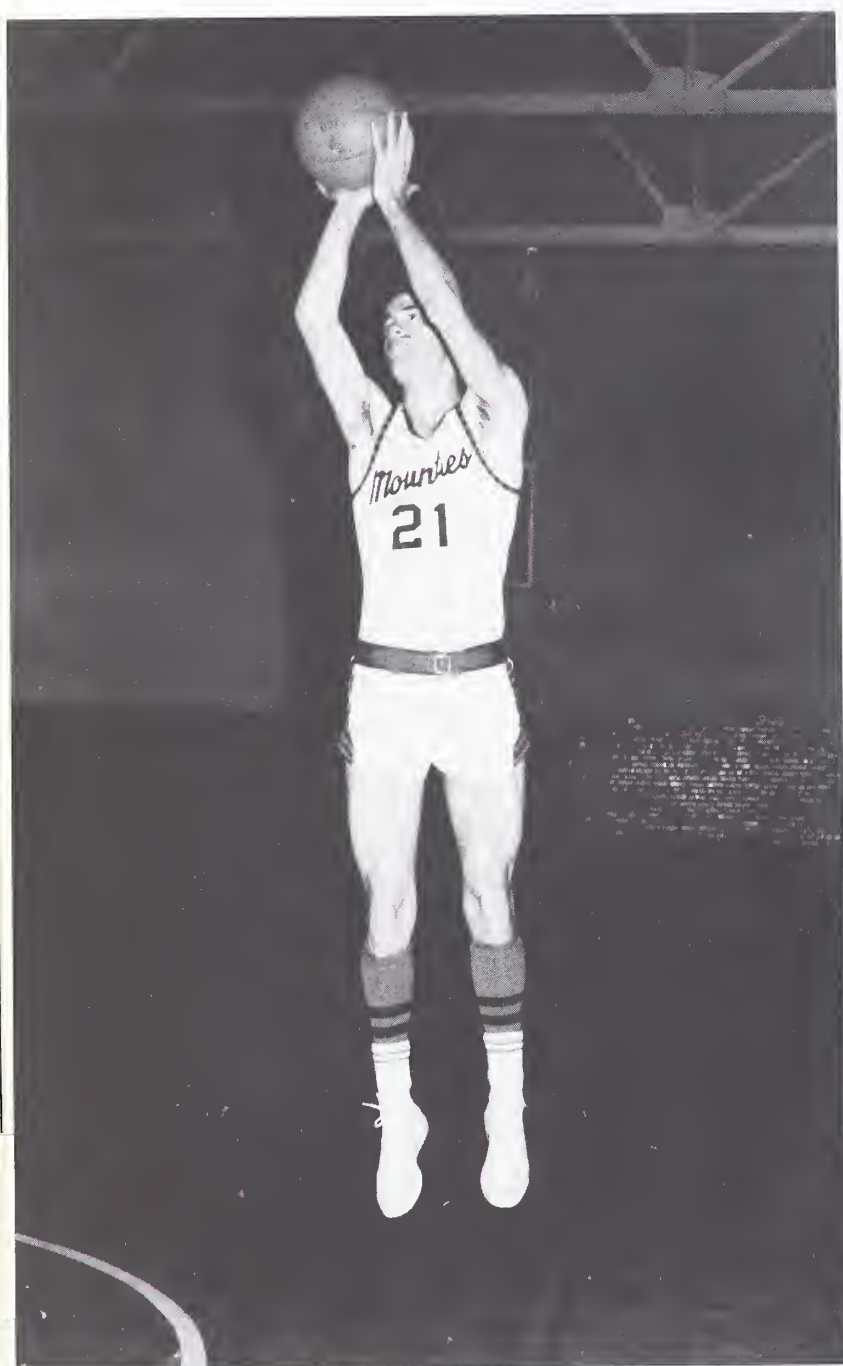

Coach Jack Dean assisted by Dean Gary Wing.

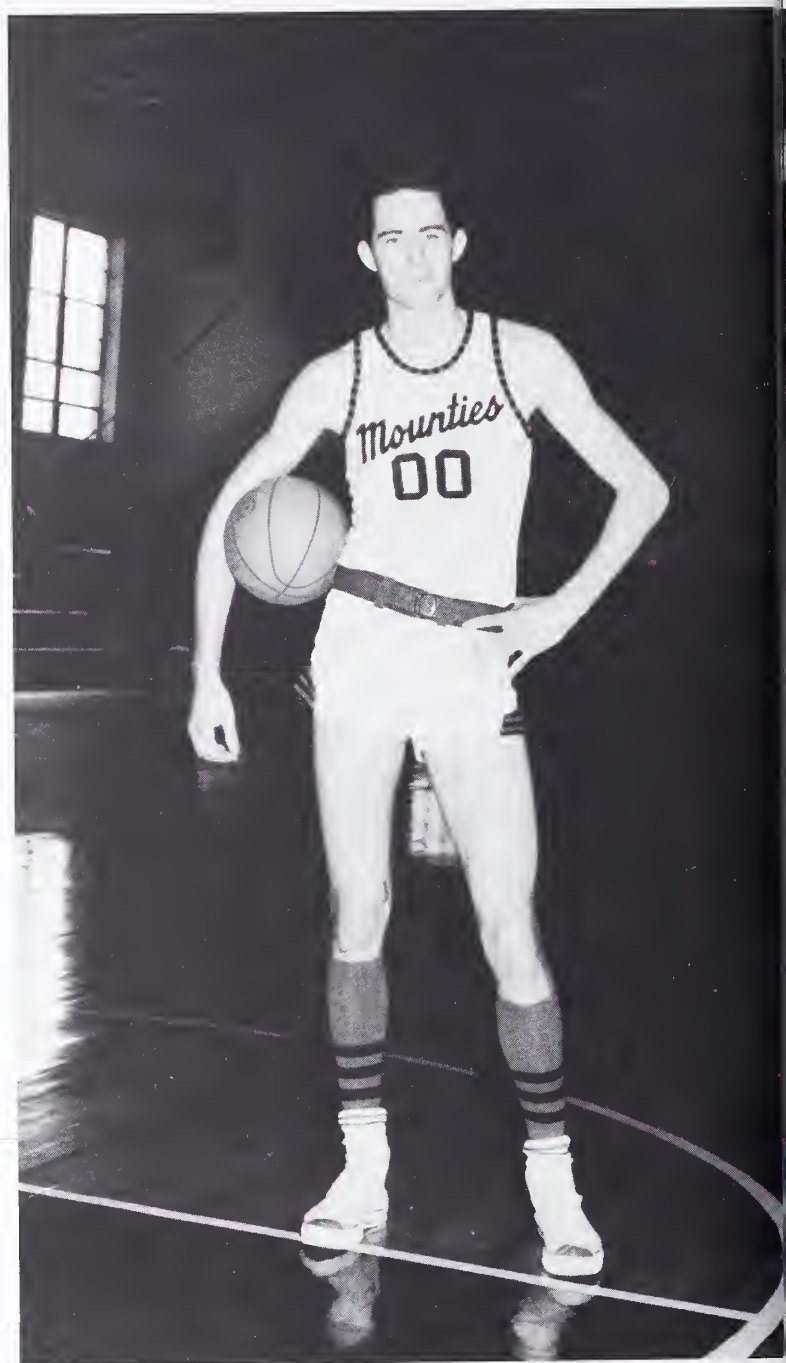

Managers Mike McConnell and Bill Baker.

The North Greenville Junior College Mounties made a pre-season trip to Alabama for two games and began the regular season away from Mountie Hall by defeating Lees-McRea. After dropping three games to conference teams, the Mounties started an eight-game winning streak. The N. G. five delivered Coach Dean his 100th victory in five years at North Greenville with a significant 100-72 victory over Charlotte. The remainder of the season saw the Mounties gain three victories over two losses to finish in a tie for second place in conference standings. In tourney play, the mighty Mounties defeated Brevard, top-ranked during regular season, and placed third in the Western Carolina Junior College Tournament. . . Of the three returning sophomores, Wendell Lee, Larry Ross, and Earl Whittington, only two were able to finish out the season. Co-captains Lee and Ross lent much actual and moral support to the team. At the beginning of second semester, Coach Dean took on guard Richard Powell to fill the place vacated by Earl Whittington.

SOPHOMORE CLASS OFFICERS

LEFT TO RIGHT: Lodene Elmore, Vance Hightower, and Donald Caldwell. Absent when picture was made: Bruce Clampitt, President.

Two years ago, fate lured to North Greenville a group of high school seniors. We aspired to combine education and pleasure during our lives at our Alma Mater. Education, to us, meant the attainment of knowledge, but pleasure held widely varied meanings. Some sought to achieve the latter through social activities. Others fell victims to the malignant spirit of campus politics. Still others chose to seek diversion from academic duties through the inviting field of athletics. Lastly, a few resorted to books for pleasure as well as knowledge.

Thus, each young freshman selected his future path and dreamed of the events which have since become a reality . . . Sophomores! Honorably, we have acquired this goal. The few who held to the social life for diversion have gained their positions of popularity. Campus politics never lacked for support. Athletic trophies were won. Finally, our scholars have surely earned a place of renown through their continuous work. Thus, we — the Class of 1963 — have sought our Alma Mater, tarried there, and now depart from her beloved shelter.

The Mounties began the 1963 baseball season by splitting a doubleheader with Clemson College on March 28; the second home game was played against Anderson Junior College on April 2. The team, led by pitchers Marion Lowe and Joe Jones and catcher Richard Powell, had eight players back from last year's team. Left-handed hurler Jerry Burdette worked on the mound and in the outfield with Bruce Clampitt, Edsel Taylor, or Tommy Moore. Playing first base was experienced Hayne Herndon, who with several freshmen, helped to complete the lineup for a well-rounded ball team.

To those persons whose patronage is represented herein, we owe a debt of gratitude. It is because of them that the tradition of the AURORA is kept alive, for without their financial backing the yearbook could not go to Keys for publication. We have thanked these businessmen. Now, we want you to thank them by purchasing their products. Be a publicity agent in spreading abroad their generosity.

Thank you,

ADVERTISERS**

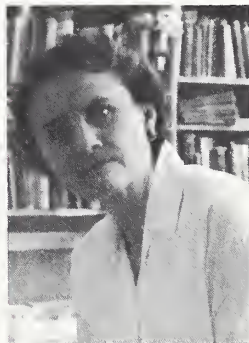

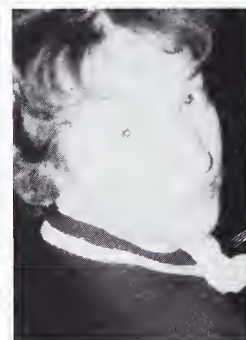

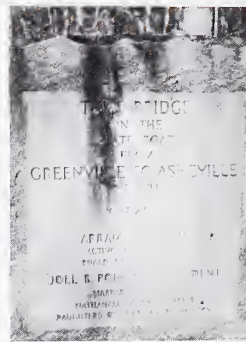

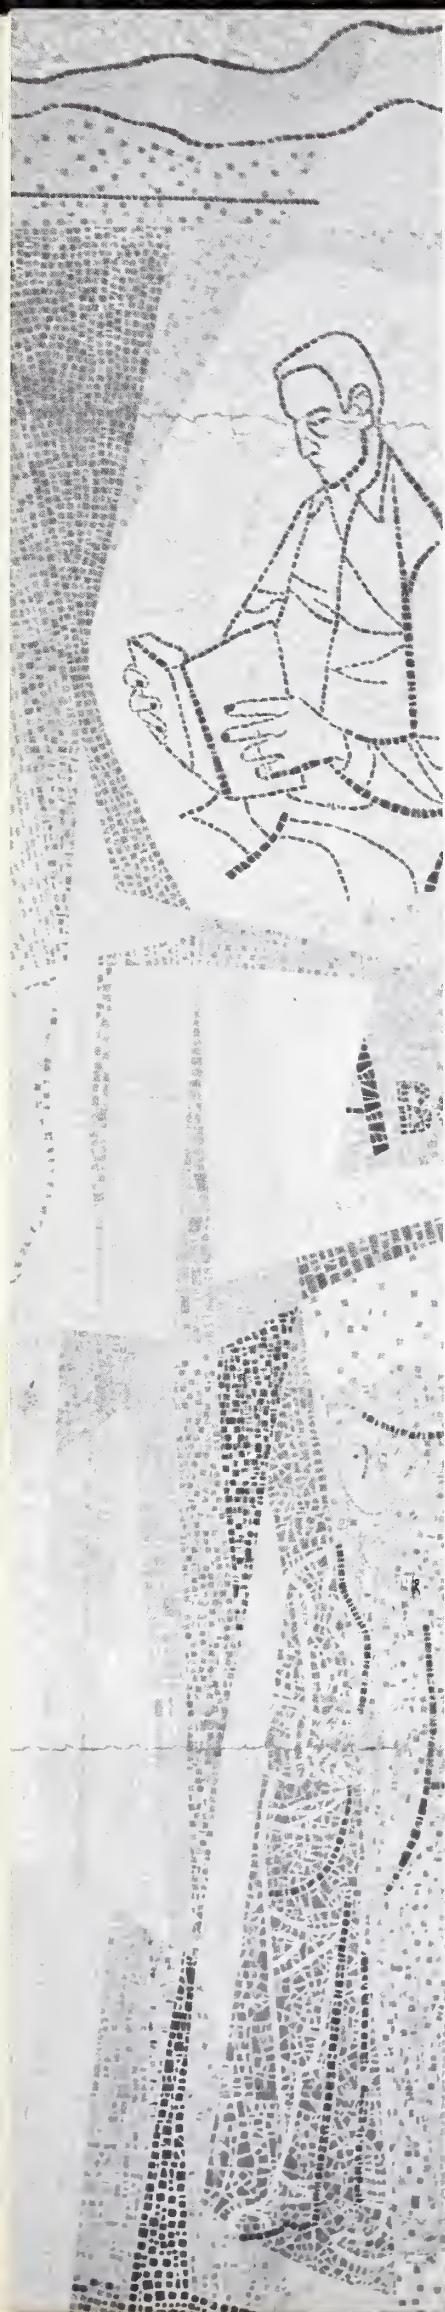

Everlasting images of youth reflected in a smiling face, a quiet walk, an eager ear, a changing pace — these are the scenes that will linger in our thoughts long after chemistry labs, history tests, French vocabularies and English themes have ceased to occupy pre-eminence in our minds.

Experiencing a visit from our parents . . . Waiting for the bus to carry us to town . . . Passing the free moments of Saturday afternoon . . . Being hit with a snowball. . . Feeding the pet cat in front of White Hall . . . "Clowning in the lunch line" . . . Indulging in Pepsis and sandwiches from the canteen . . . Studying until two and three o'clock in the morning . . . Never changing our pace of "foggy moments" . . . Trudging to our dreaded P.E. classes . . . Finding our names on "pink slips" on the bulletin board . . . Anticipating that last minute telephone call . . . and recalling the endless line of smiling faces awaiting lunch . . .

Yes, this is our campus. On the pages of this, the 1963 AURORA, you have seen the many and varied phases of our college life—the world in which we have lived, breathed, and moved for our hallowed two years at North Greenville Junior College.
